

EMPLOYEE PHYSICAL EXAMINATIONS

The Cherokee Schools believes good health is important to job performance. School bus drivers will present evidence of good health upon initial hire and every other year in the form of a physical examination report unless otherwise required by law or medical opinion.

The cost of bus driver physicals will be paid by the school district.
The school district will provide the standard examination form to be completed by the personal physician of the employee or a certified medical examiner for bus drivers.

Employees whose physical or mental health, in the judgment of the administration, may be in doubt will submit to additional examinations, when requested to do so, at the expense of the school district.

The district will comply with occupational safety and health requirements as applicable to its employee in accordance with law.
