

PUBLIC CONDUCT ON SCHOOL PREMISES

School sponsored or approved activities are an important part of the school program and offer students the opportunity to participate in a variety of activities not offered during the regular school day. School sponsored or approved activities are provided for the enjoyment and opportunity for involvement they afford the students.

Individuals are permitted to attend school sponsored or approved activities or visit the school building only as guests of the school district, and, accordingly as a condition of such permission, they must comply with the school district's rules and policies. Individuals will not be allowed to interfere with the education program, enjoyment of the students participating, other individuals or with the performance of employees and officials supervising the school sponsored or approved activity. Individuals, like the student participants, are expected to display mature behavior and sportsmanship. The failure of individuals to do so is not only disruptive but embarrassing to the students, the school district and the entire community.

To protect the rights of students to participate in the education program, or activities without fear of interference, and to permit the employees or sponsors and officials of sponsored or approved activities to perform their duties without interference, the following provisions are in effect:

- Abusive, verbal or physical conduct of individuals directed at students, employees, officials or sponsors of sponsored or approved activities or at other individuals will not be tolerated.
- Verbal or physical conduct of individuals that interferes with the performance of students, employees, officials or sponsors of sponsored or approved activities will not be tolerated.
- The use of vulgar, obscene or demeaning expression directed at students, employees, officials or sponsors participating in a sponsored or approved activity or at other individuals will not be tolerated.

If an individual becomes physically or verbally abusive, uses vulgar, obscene or demeaning expression, or in any way interrupts an activity, the individual may be removed from the event by the individual in charge of the event and the superintendent may exclude the individual from the school buildings or from future sponsored activities for a period of time not to exceed 30 calendar days.

If an infraction is such that exclusion beyond 30 days is deemed necessary by the superintendent, such a recommendation shall be made to the board of education. The board will cause a notice of exclusion from the school building or from sponsored or approved activities to be sent to the individual involved. The notice will advise the individual of the school district's right to exclude the individual from school buildings, school district activities and events and the duration of the exclusion. If the individual disobeys the school official or district's order, law enforcement authorities may be contacted and asked to remove the individual. If an individual has been notified of exclusion and thereafter tries to enter a school building or attends a sponsored or approved activity, the individual will be advised that his/her attendance will result in prosecution. The school district may obtain a court order for permanent exclusion from the school building or from future school sponsored or approved activities.
