February 2020 ECLC and Roosevelt Board Report

Valery Fuhrman, ECLC and Elementary Principal and Jan Tjeerdsma, Instructional Coach

District Mission: "With community involvement, we will empower learners to become contributing members to our changing world."

<p>Goal 1: Technology</p>	<ul style="list-style-type: none"> • The 1st grade chromebooks have arrived into their classrooms. The teachers and students are beginning to use them. The home screen is the same Weebly as the computer labs so students are familiar with navigation. • The RES technology goal for the year is to have at least one new technology use that substitutes (using technology instead of) and one that augments (enhances) instruction in the classroom each semester. Teachers shared out by adding to a Google Slideshow.
<p>Goal 2: Iowa Core</p>	<ul style="list-style-type: none"> • All RES Social Studies Curriculum representatives (Jen Burch, Connie Boekhout, Angela Carver, Mandi Koedam, and Tony Gunter) have now completed Year 1 and Year 2 training. We will attend the Year 3 training later this month all together to learn about assessments and work on vertical alignment. • ICs & Model TLs spent an afternoon planning activities and strategies for the next round of Instructional Framework elements. Our focus for the remainder of the school year will be Instructional Plans, Student Work, and Assessments.
<p>Goal 3: Communication</p>	<ul style="list-style-type: none"> • ICs met with Communication TLs and mapped out a plan for the rest of the school year to promote the many great things happening in the district. • The BLT has been discussing new school planning including budget/needs for the playground and schedule considerations with not having to share the gym/lunchroom. • Valery and Jan completed quarterly visits with each teacher to review progress towards their Individual Career Development Plan. • Jan and Angela Carver visited all RES classrooms for the 2nd annual Glow Walk. They provided positive feedback for all teachers. • TLs from MMCRU, HMS, South O'Brien, and CCSD met to finalize plans for our collaborative PD on February 14 featuring Jimmy Casas.

Additional:

- TCIT Round 2 begins on 2/18. We will have six teachers and four paras taking this round. The goal will continue to be having all teachers and paras trained to a mastery level.
- On 1/31/2020 we celebrated the 100th Day of the school year. Our committee (Tony Gunter, Abby James, and Mandi Koedam) planned the fun. Kids had a poster to walk through, could write responses to prompts on hallway posters, design their own 100th day shirt to wear, and enjoyed a sock hop. The grade levels also joined the fun with some hallway decorating. If you have Facebook, please take time to look at the pictures!
- RES hosted a Superbowl party last Friday and enjoyed a variety of homemade soups and other treats.
- Winter FAST Screenings in math and reading were completed. Initial looks at the data show a slight gain (2%) in overall building proficiency.

Roosevelt School Performance Profile 2019

Important to Note:

- While the report provides school demographics to include K-4th grade, the only data that is pulled to determine growth is from the 4th grade ISASPs (the new Iowa Assessment).
- At the current time, the only measurement that goes into determining profile status is related to the ISASPs for elementary schools. Our K-2nd grades do not take these assessments.
- This current data is related to the first year of giving this new style of assessment.
- The 3rd and 4th grade teams have made adjustments in instructional practices to address student preparation for the assessments this upcoming year.
- A team of RES teachers plans to meet with AEA staff on 2/13/2020 to begin work developing a formal action plan.

Understanding Overall Performance

The overall performance includes both an overall score and performance rating for all Iowa schools across a number of performance measures. In addition, the Every Student Succeeds Act performance category identifies schools who are struggling or who have student groups who are underperforming. The overall score provides a single number which is the sum of the measures below. It provides a snapshot of school performance, but may not tell the entire story about performance of students in that school.

Cherokee Middle School

February 2020

<p>Communication</p>	<ul style="list-style-type: none"> Cherokee February Chamber Student of the Month is Max Clark, son of Michelle and Tim Clark. Max will receive her award at the next Chamber Coffee. 																						
<p>Professional Development</p>	<ul style="list-style-type: none"> We are looking forward to Jimmy Casas on Friday. This will be a great culmination of our Culturize book study and work for the past year and a half with culture! We have been continuing to learn new components of the Instructional Framework and refreshing our APL strategy toolboxes. We also went through our Iowa School Performance Profile and Iowa Youth Survey results and are looking at ways to improve. Teachers are making progress in their curriculum outlines and aligning their curriculum with the Iowa Core standards and benchmarks. Some of the CMS teachers attended a MTSS (Multi Tiered System of Supports) Conference to help our building meet the needs of all learners.. Teachers continue to do video reflections with Linda or Scot. The reflective process and discussion has been great! 																						
<p>Building News</p>	<ul style="list-style-type: none"> Students have been excited about their MAP growth. It was great to hear students using words like benchmark, target, and goal. We will be updating our data walls when all absent students have made up their tests. The grade level averages went up 53 points! We have several after school activities for students to get involved in this school year. Lego League recently started up again, Page Turners meet on Tuesday, Newspaper Club meets on Thursday, Ricochet meets on the first Monday of the month, Hawkeyes meet once a month, and we are looking to add EA Sports gaming club as well. Our CMS staff walking journey is currently up to 9,444 miles and through 39 states. There are now 6 staff members in the Million Step Club: Mrs. Stoneking, Mr. Lee, Mrs. Lubeck, Ms. Blaise, Mr. Aden and Mrs. Riley. We have many staff members participating in the CMS Fabulous February activities. Their goal is to participate in 20 fun self-care activities throughout the month.

ESSA Performance Category

Comprehensive Status: **Met**

Targeted Status: **Met**

ESSA Support: **No Support Required**

State Average: 54.94

Understanding Overall Performance

The overall performance includes both an overall score and performance rating for all Iowa schools across a number of performance measures. In addition, the Every Student Succeeds Act performance category identifies schools who are struggling or who have student groups who are underperforming. The overall score provides a single number which is the sum of the measures below. It provides a snapshot of school performance, but may not tell the entire story about performance of students in that school.

WHS Building Report February 2020

District Mission: *With community involvement, we will empower learners to become contributing members to our changing world*

Technology	<ul style="list-style-type: none"> Teachers are making use of our Swivl Cameras and iPads to record lessons in their classrooms. They're meeting with Natalie to reflect and collaborate on ideas to enhance teaching and learning. We added two more iPads for our staff to use as a learning tool to continually utilize effective instruction within the classroom. The vape detectors in the bathrooms have been a nice asset to our building to help with management of decisions behind closed doors.
Iowa Core	<ul style="list-style-type: none"> Social Studies teachers are attending the AEA's Year 3 training to get a better understanding of the new state Social Studies standards. Fine Arts, CTE and Guidance are purchasing materials this year. They're meeting with reps from companies to make the best decisions for students in purchasing curriculum. WHS teachers are continually making progress on their curriculum outlines, adding assessments and resources. Mr. Riley and Mrs. Fowler attended a computer science workshop to learn more about the opportunities/mandates that could potentially be enforced.
Communication	<ul style="list-style-type: none"> Carson King presented to our students and staff on social media dangers, influences and consequences. Instructional Coaches are meeting with each of our TLC leaders this month to help develop plans on improving communication, looking at data, and curriculum.
Staff Positives	<ul style="list-style-type: none"> Our staff is enjoying the book, <i>Culturize</i> by Jimmy Casas. We are excited to hear him speak as we welcome him to WHS this week. We're looking forward to our Staff "Holiday" party on February 16. We're excited to have a little time to relax and hang out together bowling in LeMars.
Student Positives	<ul style="list-style-type: none"> Students had an opportunity to hear from Carson King on the impact social media can have on someone's life. SAC put together the "Cherokee Winter Games" to try to promote cohesiveness among all groups at WHS. Congratulations to the following Large Group Speech participants selected to perform at All-State on February 22, 2020: Varsity Readers Theatre, Mom TV News, Wild West TV News and PAR 36.0 Radio Broadcasting Winter sports are starting postseason play and we wish every program success.
Looking Ahead...	<ul style="list-style-type: none"> SAC is planning a fun afternoon for students on February 13 to help promote student organizations and comradery. We're starting to plan for our WHS ISASPs in March. Mrs. Heater, Mr. Stoneking, and Mr. Riley have been preparing for an interactive career fair taking place in April.

Notes for the Board from the Superintendent – February 2020

Cherokee Community School District: *Empowering Learners*

Standards for Effective School Boards

February Standard: Provide effective leadership for quality instruction and high, equitable student learning by setting and communicating high expectations for student learning with clear goals and a focus on strengthening instruction, by supporting conditions for success through board actions and decisions, by holding the system accountable to reach student goals, by building the collective commitment of community and staff to achieve the student learning goals, and by learning together as a whole team to inform decision-making around the student learning goals.

The Iowa School Board Standards are designed for use by local school boards as common framework for excellence in school board governance. Based on best practice and research, the standards encourage boards to focus on student achievement as their primary responsibility. *Iowa Association of School Boards*

Technology/Website Update – Board/Leadership Team Goal Statement #1

- Building Reports – Principals – on the agenda
- News from Technology Director, William Halder
 - The Technology Department has been working diligently to keep up with the demand and have been pleasantly pleased with the patience of the teachers, staff and students. I am very pleased to let you know we have extended an offer, which was accepted, to Connor Aden as the new Technology Assistant. Although it will not alleviate the amount of work pending right now, I am confident the department will be back to full capabilities within a couple of months.
 - The 1st grade computers are in the classrooms and teachers are eager to get the students acquainted with them. Kudos to the teachers and students.

STUDENT PROGRESS REPORTS AND CONFERENCES

Students will receive a progress report at the end of each nine-week grading period. Students, who are doing poorly, and their parents, are notified prior to the end of the semester in order to have an opportunity to improve their grade. The board encourages the notification of students who have made marked improvement prior to the end of the semester.

Parent-teacher conferences will be held twice at the elementary and middle school to keep the parents informed. The conferences at the high school are not individually scheduled.

Parents, teachers, or principals may request a conference for students in grades kindergarten through twelve in addition to the scheduled conference time. Parents and students are encouraged to discuss the student's progress or other matters with the student's teacher.

STUDENT PROMOTION - RETENTION - ACCELERATION

Students will be promoted to the next grade level at the end of each school year based on the student's achievement, age, maturity, emotional stability, and social adjustment.

The retention of a student will be determined based upon the judgment of the licensed employee and the principal. When it becomes evident a student in grades kindergarten through eight may be retained in a grade level for an additional year, the parents will be informed. It is within the sole discretion of the board to retain students in their current grade level.

Students in grades nine through twelve will be informed of the required course work necessary to be promoted each year. When it becomes evident a student in these grades will be unable to meet the minimum credit requirements for the year, the student and parents will be informed. It is within the sole discretion of the board to retain students in their current grade level and to deny promotion to a student.

Students in grades kindergarten through twelve with exceptional talents may, with the permission of the principal and parents, take classes beyond their current grade level. Enrichment opportunities outside the school district may be allowed when they do not conflict with the school district's graduation requirements.
