# October 2019 ECLC and Roosevelt Board Report

Valery Fuhrman, ECLC and Elementary Principal and Jan Tjeerdsma, Instructional Coach

**District Mission:** "With community involvement, we will empower learners to become contributing members to our changing world."

## District Goal Actions

- 1: Implement a successful 1:1 **technology** initiative to enhance student learning, instruction, and achievement.
  - TL, Abby James, shared a found app at PD which has the student picture "talking" with the recorded student voice. Her classroom created a paper explaining an important social skill.
  - RES had 4 teachers attending the ITEC conference in October. We look forward to learning more from them after they return.
  - 1st grade is looking forward to exploring their options to move to 1:1 next summer/school year.
- 2: Increase implementation and alignment of **Iowa Common Core** curriculum utilizing Characteristics of Effective Instruction (**S**tudent Centered-**T**eaching for Learner Differences-**A**ssessment for Learning-**R**igor and **R**elevance-**T**eaching for Understanding).
  - In PD, the RES teachers continue to learn more about guided reading instruction
  - TL, Angela Carver, presented APL strategies related to student behaviors (the second component of our Instructional Framework rollout). Next month, our focus will be classroom environment.
  - Instructional coaches and administrators are collaborating to develop a successful Instructional Framework rollout plan.
- 3: Improve **communication** between all stakeholders in the district that will promote an atmosphere that encourages positive relationships.
  - Mrs. Carver will be welcoming a student teacher to her classroom from Iowa State University in January and February.
  - The fall always brings adjustments to IEPs as we transition in new students, transition up PK students to TK or K, and amend for students as their grade level advances. Due to these IEP changes, we are asking to hire additional para educator supports. Each additional hire is tied to an IEP student with a weighted IEP.
  - Our PTA fundraiser was a wonderful success. The students with the support of family and friends collected \$20,721 in donations! Students had fun with the benchmark rewards and the ending assembly of throwing color run color powder to make Mrs. Fuhrman into a rainbow unicorn.
  - I was asked to assist in presenting on the panel at the Northwestern College Leadership Conference to share about the Instructional Framework training the Teacher Leader/Admin team attended this summer.
  - Our Fall FAST testing scores:
    - The new data system by the Department of Education gives comparatives. It shows RES having 74% of students proficient compared to 66% of the NWAEA schools or 69% of students across the state.

# Cherokee Middle School

October 2019

<i>Construction</i>	Middle School parking lot and new entrance is complete. The road to Indian Street will be closed to spring and it is working fairly well. We hope to have light poles and parking lot markings complete this week.
<i>Communication</i>	Cherokee October Chamber Student of the Month is Logan Thorson, son of Jason & Amber Thorson. He received his award at the October 11th Chamber Coffee at the Sanford Museum.
<i>School Improvement &amp; Data</i>	<p>Growth in the learning journey is so important! We are excited that our data walls are up in the halls again! The new line graphs show the progress of each grade level of this growth toward the goal line in the areas of Reading, Math, Language Arts and Science. The display in the main hallways show students that their growth is important and forefront. Students were asking all kinds of questions and internalizing the information when the displays were being put up in their new location in the eye level displays.</p> <p>Teachers have also started to meet with students one to one to go over individual scores from last spring to their new fall score. Students are recording their own success and taking ownership of their own individual data!</p>
<i>Social Emotional Learning</i>	Mrs. Ducommun and Mr. Aden presented at the Northwestern Leadership Conference on October 14th. Title of the presentation was "Building Our Collaboration and Relationship Culture." Jimmy Casas was the keynote presenter and he will be in Cherokee presenting to our staff in February along with MMC-RU, South O'Brien, and HMS. It was a great day to share so many of the positives we are doing at Cherokee Community School District.
<i>Building News</i>	CMS staff will play the 8th grade girls in a volleyball match on October 25th. This is our 3rd year of doing this activity and is one of the students and staff both look forward to doing. We are working on doing "Passion Projects" this school year with our students. Passion Projects will be staff teaching various activities to our students. Teachers will have sign up sheets for students to up for activities they would be interested to take part in (sewing, fishing, STEM, music, chess, and more). This will take place before Christmas and at the end of the school year. This will be another way our staff and community can connect with our students.

## WHS Building Report October 2019

**District Mission: "With community involvement, we will empower learners to become contributing members to our changing world"**

### District Goals:

#### **1. Implement a successful 1:1 technology initiative to enhance student learning, instruction, and achievement.**

- Many classrooms at WHS have had technology updated and improved to meet the needs of our students.
- We have purchased four vape detectors to place in bathrooms around WHS to assure our students are always making good choices in all phases of the educational programming.
- Many of our courses have online textbooks downloaded on student chromebooks so students are able to access their materials at home without internet access or having to haul heavy textbooks. Many students like to have access to the actual textbook and we have accommodated that need by having classroom sets of physical books located in the classrooms.

#### **2. Increase implementation and alignment of Iowa Common Core Curriculum utilizing characteristics of effective instruction.**

- We have established different action plans for focus on College and Career Readiness profile to make WHS more aligned with supporting our students in future planning endeavors.
- We are continuing to work on our curriculum outlines this fall, adding to the work the teachers did throughout the last school year. We are working with AEA content leaders to help us fine tune our curriculum work and take it to the next level.
- Curriculum lead teachers met in October to discuss where each department is in their process of curriculum outlines, unpacking standards, and aligning assessments. This work will continue in each building and we are excited to bring in AEA reps for each department in January to refine and improve our next steps within each department's curriculum work.
- Our building level curriculum time during PD each month focuses on making the curriculum outlines a living document to reflect the reality of what's being taught and assessed in our classrooms. During these PD times each department has the opportunity to collaborate with our special education team to address the needs of individual students and how they can accommodate and modify learning targets to meet the needs of all students.

#### **3. Improve communication between all stakeholders in the district that will promote an atmosphere that encourages positive relationships.**

- The emphasis at WHS during the 2019-2020 school year is **CULTURIZE & Building Relationships**. Have started our book study on Culturize, by Jimmy Casas, who will be coming to speak at our shared PD this year in February. The teachers are also able to take this for licensure renewal credit offered by Natalie and Linda through the AEA PD online courses.
- Wade and Natalie presented at the Educational Leadership Conference at Northwestern College on October 14. We highlighted steps we've taken to collect our relationship data and build Braves Empowerment time during the presentation and many positives happening at WHS.
- On October 15, we had a crucial presentation to all WHS students on the importance of not texting and driving. Our students were really engaged and all received a dog tag of their commitment to not text and drive.
- We are blessed to have a wonderful Communication Lead Teacher, Jill Phillips in our building. She does a fantastic job telling our story and sharing all of the great things happening at WHS. Teachers share things happening in their classrooms with Jill each quarter and she uses social media outlets to share this information with our stakeholders.
- All 9th grade students took the National Career Readiness Certificate assessment (NCRC) on Wednesday, October 9. This assessment measures and certifies the essential work skills needed for success in jobs across industries and occupations.

**Mr. Wade Riley- WHS Principal & Mrs. Natalie Barkley- Instructional Coach**

# Notes for the Board from the Superintendent – October 2019

## Cherokee Community School District: *Empowering Learners*

### **Standards for Effective School Boards**

October Standard: Lead through sound policy, ensuring transparent, ethical, legal operations by developing sound, written policy to clarify the board's intent for district direction; by ensuring that board and district actions are in compliance with state and federal laws, appropriately addressing legal issues when they arise; by modeling ethical and legal behaviors which enable the board to stay focused on district goals; and by establishing policies and ensuring processes that are open and accountable.

The Iowa School Board Standards are designed for use by local school boards as common framework for excellence in school board governance. Based on best practice and research, the standards encourage boards to focus on student achievement as their primary responsibility. *Iowa Association of School Boards*

### **Technology/Website Update – Board/Leadership Team Goal Statement #1**

- Building Reports – Principals – on the agenda
- News from Technology Director, William Halder
  - Chromebook damages continue to be minimal this year with less than 15 repairs so far. Students knowing they have to check out a much slower chromebook from the library and 7th and 8th grade students not allowed to take chromebooks home has been the reason for the decline in damages.

### **Curriculum and Instruction Update – Board/Leadership Team Goal Statement #2**

- Building Reports - Principals - on the agenda
- Purchasing Year: Fine Arts, Guidance, TAG, Career and Technology
- Iowa Department of Education Public Reporting Site: [reports.educateiowa.gov](http://reports.educateiowa.gov)

- School Improvement Advisory Committee (SIAC) - on the agenda
  - Meeting on Tuesday, December 10, 2019 @ 5:30 PM
- Cooperative Sharing Agreements - on the agenda
- CCSD Job Descriptions - on the agenda
- Board Committee Rotations - Management Team Meetings - To Be Determined

### **Transportation and Nutrition Update**

- News from Nutrition Director, Cara Jacobson
  - We had great participation in the National School Lunch Week, which I kicked off with a radio interview. We had new entrees, along with some old favorites, and ended up with chili and cinnamon rolls, on the coldest day of fall. I handed out printables to the kids and had them return with a list of their favorite lunch entrees, which I used to make the November Menu. I also sent out fliers to parents, showing them what is served to their children daily and inviting them to join their children for lunch at school. We had some parents join us at Roosevelt.
  - We have been running a few people short due to an illness, and someone leaving without notice, so I finally hired Laura Horton for a full time position, and Sara Peterson for a two hour daily position.

### **Board/Leadership Team Goal Statements**

1. Implement a successful 1:1 technology initiative to enhance student learning, instruction, and achievement.
2. Increase implementation and alignment of Iowa Common Core curriculum utilizing Characteristics of Effective Instruction.
3. Improve communication between all stakeholders in the district that will promote an atmosphere that encourages positive relationships.

# Notes for the Board from the Superintendent – October 2019

## Cherokee Community School District: *Empowering Learners*

- Hopefully we will be leaning towards a normal day soon :) Thank you!
- News from Transportation Director, Mike Wiederholt
  - The transportation department has been very busy. Both new vans have had 1,000 miles put on them since the board approved this purchase - unbelievable! Everyone likes them and they have been a great asset to the transportation department. We are seeing 12 passenger vans from other schools all over the place. This was a great move for Cherokee - thanks again.

### **Strategic Planning – Finance Update**

- Financials included in board packet

- Meeting with Haselhoff Construction and FEH Design - Tuesday, October 22nd @ CMS
- 5 Year Maintenance Plan - FEH Design and Building/Grounds Committee - work in progress
- News from Mike Fiedler, Building and Grounds Director
  - We have all the water and meters pulled for the fields, ready for winter.
  - Boilers are up and running, the new one at the high school still has a few bugs to get worked out. The middle school boiler seems good for now. Roosevelt's boiler seems to still have a couple hiccups, but is working okay.
  - Help seems to be onboard with how things are running with me in charge. So, for right now, we are moving ahead as a team to keep our school operating best we can.

CLASSIFIED EMPLOYEE BEREAVEMENT LEAVE

In the event of a death of a member of a classified employee's immediate family, bereavement leave may be granted. Bereavement leave granted may be for a maximum of 7 days, with "day" being defined as one work day regardless of full-time or part-time status of the employee, per occurrence, for the death of a member of the immediate family. The immediate family includes child, spouse, parent, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandchild, or grandparent of the employee.

A maximum of 2 day of bereavement leave per year will be granted for the death of a close friend or other relative not listed above.

It is within the discretion of the superintendent to determine the number of bereavement leave days to be granted.

CLASSIFIED EMPLOYEE POLITICAL LEAVE

The board will provide a leave of absence to classified employees to run for elective public office. The superintendent will grant a classified employee a leave of absence to campaign as a candidate for an elective public office as unpaid leave.

The classified employee will be entitled to one period of leave to run for the elective public office, and the leave may commence any time within thirty days of a contested primary, special, or general election and continue until the day following the election.

The request for leave must be in writing to the superintendent at least thirty days prior to the starting date of the requested leave.

CLASSIFIED EMPLOYEE JURY DUTY LEAVE

The board will allow classified employees to be excused for jury duty unless extraordinary circumstances exist. The superintendent has the discretion to determine when extraordinary circumstances exist.

Employees who are called for jury service will notify the direct supervisor within twenty-four hours after notice of call to jury duty and suitable proof of jury service pay must be presented to the school district. The employee will report to work within one hour on any day when the employee is excused from jury duty during regular working hours.

Classified employees will receive their regular salary. Any payment for jury duty is turned over to the school district.

Legal Reference: Iowa Code §§ 20.9; 607A (2013).

CLASSIFIED EMPLOYEE MILITARY SERVICE LEAVE

The board recognizes classified employees may be called to participate in the armed forces, including the National Guard. If a classified employee is called to serve in the armed forces, the employee will have a leave of absence for military service until the military service is completed.

The leave is without loss of status or efficiency rating, and without loss of pay during the first thirty calendar days of the leave.

CLASSIFIED EMPLOYEE UNPAID LEAVE

Unpaid leave may be used to excuse an involuntary absence not provided for in other leave policies. Unpaid leave for classified employees must be authorized by the superintendent. Whenever possible, classified employees will make a written request for unpaid leave ten days prior to the beginning date of the requested leave. If the leave is granted, the deductions in salary are made unless they are waived specifically by the superintendent.

The superintendent will have complete discretion to grant or deny the requested unpaid leave. In making this determination, the superintendent will consider the effect of the employee's absence on the education program and school district operations, the financial condition of the school district, length of service, previous record of absence, the reason for the requested absence and other factors the superintendent believes are relevant in making this determination.

If unpaid leave is granted, the duration of the leave period is coordinated with the scheduling of the education program whenever possible, to minimize the disruption of the education program and school district operations.

CLASSIFIED EMPLOYEE PROFESSIONAL PURPOSES LEAVE

Professional purposes leave may be granted to classified employees for the purpose of attending meetings and conferences directly related to their assignments. Application for the leave must be presented to the superintendent 5 days prior to the meeting or conference.

It is within the discretion of the superintendent to grant professional purposes leave. The leave may be denied on the day before or after a vacation or holiday, on special days when services are needed, when it would cause undue interruption of the education program and school district operations, or for other reasons deemed relevant by the superintendent.

## OBJECTIVES FOR EQUAL EDUCATIONAL OPPORTUNITIES FOR STUDENTS

This series of the board policy manual is devoted to the board's goals and objectives for assisting the students of the school district in obtaining an education. Each student will have an opportunity to obtain an education in compliance with the policies in this series.

It is the goal of the board to develop a healthy social, intellectual, emotional, and physical self-concept in the students enrolled in the school district. Each student attending school will have the opportunity to use it and its education program and services as a means for self-improvement and individual growth. In so doing, the students are expected to conduct themselves in a manner that assures each student the same opportunity.

The board supports the delivery of the education program and services to students free of discrimination on the basis of race, color, sex, marital status, national origin, religion, sexual orientation, gender identity or disability. This concept of equal educational opportunity serves as a guide for the board and employees in making decisions relating to school district facilities, employment, selection of educational materials, equipment, curriculum, and regulations affecting students.

In the delivery of the education program, students will treat the employees with respect and students will receive the same in return. Employees have the best interests of the students in mind and will assist them in school-related or personal matters if they are able to do so. Students should feel free to discuss problems, whether school-related or personal, with the guidance counselor or other employees.

Board policies, rules and regulations affect students while they are on school district property or on property within the jurisdiction of the school district; while on school owned and/or operated school or chartered vehicles; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and welfare of the school district.

Board policy refers to the term "parents" in many of the policies. The term parents for purposes of this policy manual means the legal parents, the legal guardian or custodian of a student, and students who have reached the age of majority or are otherwise considered an adult by law.

Inquiries by students regarding compliance with equal educational opportunity and affirmative action laws and policies, including but not limited to complaints of discrimination, are directed to the Affirmative Action Coordinator by writing to the Affirmative Action Coordinator, Superintendent, Cherokee Community School District, Cherokee, Iowa 51012; or by telephoning 712-225-6767.

Inquiries by students regarding compliance with equal educational opportunity and affirmative action laws and policies, including but not limited to complaints of discrimination, may also be directed in writing to the Director of the Region VII office of Civil Rights, U.S. Department of Education, Citigroup Center, 500 W. Madison St., Ste. 1475, Chicago, IL, (312) 730-1560 <http://www.state.ia.us/government/crc/index.html> or Iowa Dept. of Education, Grimes State Office Bldg., Des Moines, IA. (515) 281-5294. This inquiry or complaint to the federal or state office may be done instead of, or in addition to, an inquiry or complaint at the local level.

OBJECTIVES FOR EQUAL EDUCATIONAL OPPORTUNITIES FOR STUDENTS

Further information and copies of the procedures for filing a complaint are available in the school district's central administrative office and the administrative office in each attendance center.

RESIDENT STUDENTS

Children who are residents of the school district community will attend the school district without paying tuition.

The residence of a student means the place, abode, or dwelling of the student. Generally, the legal dwelling of minors is the same as their parents. A student may establish a dwelling with someone other than the parents and attend public school in the school district without paying tuition if the primary purpose for residing in the school district is not for the purpose of obtaining a free public education. Further, students who have reached the age of majority and who are still eligible to attend an Iowa secondary school may declare their residence independent of the residence of the parents.

Each case involving the bona fide residence of a student will be decided upon its individual merits by the superintendent.

## NONRESIDENT STUDENTS

Students who are eligible to attend an Iowa public school but who are not legal residents of the school district may be admitted into the school district at the discretion of the superintendent upon application and payment of tuition. The tuition rate is the current per-pupil cost of the school district as computed by the board secretary and as authorized by the Iowa Department of Education.

Resident students whose families move from the school district after the start of a semester and who wish to complete the semester in the school district may be permitted to attend without the payment of tuition at the discretion of the superintendent and approval of the board. Students who plan to open enroll to the nonresident district may complete the school year without approval of the superintendent or board. These students, other than students in grades eleven and twelve, must have the recommendation of the principal.

Students in grades eleven or twelve who are no longer residents of the school district, but were residents in the preceding school year, may continue to attend school until they graduate without the payment of tuition. These students may be required to identify an adult, who resides in the school district, identified for purposes of administration.

Nonresident students who are eligible to attend an Iowa public school and who have evidence they will become legal residents of the school district prior to the third Friday in September may be allowed to attend without the payment of tuition.

## COMPULSORY ATTENDANCE

Parents within the school district who have children over age six and under age sixteen by September 15, in proper physical and mental condition to attend school, will have the children attend the school district at the attendance center designated by the board. Students will attend school the number of days school is in session in accordance with the school calendar. Students of compulsory attendance age will attend school a minimum of 175 days. Students not attending the minimum days must be exempted by this policy as listed below or, referred to the county attorney. Exceptions to this policy include children who:

- have completed the requirements for graduation in an accredited school or have obtained a high school equivalency diploma;
- are attending religious services or receiving religious instruction;
- are attending an approved or probationally approved private college preparatory school;
- are attending an accredited nonpublic school; or,
- are receiving competent private instruction.

It is the responsibility of the parent of a child to provide evidence of the child's mental and physical inability to attend school or of the child's qualifications for one of the exceptions listed above.

The principal will investigate the cause for a student's truancy. If the principal is unable to secure the truant student's attendance, they will follow board approved student handbook policy.

The school will participate in mediation if requested by the county attorney. The superintendent will represent the school district in mediation. The school district will monitor the student's compliance with the mediation agreement and will report violations of the mediation agreement to the county attorney.

ENTRANCE - ADMISSIONS

Children in the school district community will be allowed to enroll in the school district's regular education program beginning at age five. The child must be age five on or prior to September 15 to participate in the school district's kindergarten program. The child must be age six on or prior to September 15 to begin the first grade of the education program.

The board will require evidence of age and residency in the form of a birth certificate or other evidence before the student may enroll in the school district's education program. It is within the discretion of the superintendent to determine what is satisfactory evidence for proof of age.

Prior to enrollment, the child must provide the administration with their health and immunization certificate. Failure to provide this information within the time period set by the superintendent is reason for suspension, expulsion or denying admission to the student.
