

# WASHINGTON HIGH SCHOOL

## Return to Learn Plan

### Priorities

- CCSD will be returning to school for face-to-face instruction to begin the year. Depending on the number of cases in our county this could lead to hybrid or online (taught by CCSD staff) at some point during the school year.
- Learning will be mainly focused around prioritized content within the Iowa Core Curriculum.
- Learning opportunities are provided Monday through Friday and are based on the CCSD academic calendar.
- Staff will track student participation, attendance and progress (grades, online activity, etc.) via JMC.
- Staff is expected to communicate with students/parents/guardians accordingly.
- Staff is expected, within reasonable means, to meet guidelines associated with IEP and Section 504.
- Families are encouraged to communicate with staff.
- In the event of district-wide online or hybrid learning, students may have the option for both online and off-line learning activities. Packets may be necessary or provided by staff to meet the diverse learning needs of our students.
- The primary tools for communication between teachers and families will be Google Classroom, Zoom or Google Meet, online textbooks, student email addresses, and parent provided email addresses.
- Core and Support staff may provide learning in the event of online or hybrid learning. Lessons may be recorded for accountability and/or made available to students to watch at any time.
